Dear Sir

With reference to our
interview this morning,
I have since enquired
of those connected with
me on The University Gazette
whether or not they had
spoken to any one about
the matter. They have not
done so. I have seen The
Star and it is in a
position to say that not
one particle of the information
published in last evening's

I do not know how many people belonging to college circles may have canvassed my name in this connection, and for that reason I shall ask The Star to put me right in this matter.

I cannot but think that you should have been quite sure that the charge you made against me was true, before using the offensive and threatening
