Dear Sir,

I am in
receipt of your two
letters, for which
please accept my
thanks

We have not
got any further in-
formation since
I wrote

when it should be known
what action the minister-gov-
ernment proposed.

I could not find any mps
who had any knowledge of the
subject nor any minister

Some mps, however, got from
Sir John that he believed
that the grant estates had
had with a few smaller
lands, been given over
to the local legislatures

I shall continue
the inquiries and com-
municate to you the re-
sult, and shall be in
communication with the mps
who are interesting them-
selves in it. Yours very truly,
