My dear Sir William

I am glad of an occasion
of expressing affectionate remembrance
of time spent in Montreal specially
over the Word of our God with occasional
instructions with regard to His wonder-
ful works in Creation -

The present occasion is that
I have asked my brother Algernon
Twinn ^{to call on you he is} bravely for relaxation on ^{his}
work in the Post office in London
when Lord Beaconsfield was in office
he had been his secretary for some years

My brother honours the Word of
God - but being so mixed with the
world is hindered in the right dividing
it - ^{with kind regards}
to Lady Dunsen
& all
Yours in Christ
Walter Twinn
