Dear Sir

Having been appointed agent for "Appleton's Cyclopaedia of American Biography" now being published in Six Volumes at various prices, see Specimen copy of pages forwarded you per mail today, and also having thoroughly examined the work and feeling that such a book is required in McGill College Library is the reason I have taken the liberty to write you.

The work is a similar publication to the "Dictionary of

"National Biography" published  
in England.

As the work can only be  
had by Subscription, I will  
offer to the Library a discount  
of 10% which terms are good  
for a Subscription book.

The work includes Canadian  
men of note viz: Montcalm, Wolfe  
Papineau, Sir John A Macdonald  
&c &c.

I having underlined two prices  
1/2 Morocco and full Morocco  
these being the best binding  
to wear and for Library use.

Should you think of taking  
a copy and have not ordered  
the work I would feel  
greatly obliged if you would  
kindly fill in the enclosed  
slip and forward to me,

and the work shall be sent  
you per return.

Believe me dear Sir

Yours Respectfully  
W. A. Butterfield
