Letter to  
McDonald

June 1/88

Dear Sir John,

We have lost  
our venerable Chan-  
cellor and your  
old friend Mr Feltner  
— a great loss to us  
for his services to  
education up to  
the last were in-  
valuable. Our

Ms. A. 9. 2. 11

of his latest acts, was  
to arrange for the  
nominations of two  
new Governors, Hon  
Judge Church and  
Mr A. F. Gault, both  
good men and  
who I hope will be  
very useful. As  
required by the  
Statutes the names

will be mailed by our  
Secretary <sup>with the required signatures</sup> to a day  
that is within one  
week of the termination.

In the present inter-  
regnum I do not  
know of the Ad<sup>r</sup>  
Minister will send  
the usual consent  
(which has usually  
been written on the  
corner of the Minis<sup>r</sup>

water and returned)  
a of this will be left  
till arrival of the  
New Governor General  
The law is that the  
Inmates become free  
if not discharged within  
60 days, so that there  
is plenty of time.

May I ask you  
to see the matter at-  
tended to, which the  
Service would no doubt  
have done had he  
remained. Sincerely yours  
J. M. Dawson
