

Dear Sir William Dawson

I write to thank you, on my daughter's behalf and my own for your kindness, and that of the Governors of the University, in granting her a free tuition, during her course of study at Me Gill. She has just succeeded in passing the examination for Associate in Arts, so it is not necessary I believe, for her to pass the entrance examinations in

September, but she will present  
herself at the proper time.

Again thanking you  
for your kindness believe me

Yours sincerely

S. Leach
