O. W. DAVIS, Jr., Gen'l Manager.

Katahdin Charcoal Iron Co.,

MANUFACTURERS OF

"Katahdin" Charcoal Pig Iron.

Offices at Bangor.

Furnace at Katahdin Iron Works.

Bangor, Me., June 27 1888

Dr J W Dawson Esq
Montreal

Dear Sir

We are looking for a suitable ore for mixing with our own with view to using it on completion of the Canadian Pacific, now under construction across the State

The ore should be a brown hematite or specular, & free from sulphur

If you know of any such deposits contiguous to the International or Grand Trunk or Quebec Central RR

you will greatly oblige us if you can put us in the way of obtaining definite information about it

Yours Very Respy

O W Davis Jr
