Sir William Dawson,

Dear Sir,

Through the
kindness of a friend of mine,
the Rev. Dr. Potts, I have
been recommended to the
Rev. Dr. Burns of Hamilton
to fill a possible vacancy
in the Ladies' College there.
I have sent the latter a
copy of the college lists
for this year showing my
standing. He has, however,

expressed a wish that I
should obtain for him
a few words from some
of my teachers at McGill.
You were kind enough
once to say that I had
graduated creditably.
If it would not be ask-
ing too great a favour,
I should feel greatly
indebted to you, if you
would let me have a
line to this effect in
writing.

Regretting that Mr. Burns'

request has necessitated
my thus encroaching on
your very valuable time.
and trusting you will
pardon my thus troubling
you.

Yours most respectfully
Jane L. Palmer.
