

Montreal Aug 1st 1888

Dear Sir William

I have sent the two books as requested. It is selling very well considering the season and I think will be a successful book. I sent a few copies for notice to the press and they were very favourably reviewed.

Would it not be wise to change the title of lecture notes to a more general one so as to make it easier to introduce it into other colleges.

Yours truly

Dear Sir
Ely 1888

I have sent the two
books as requested. It is
believe you will be
the reason and of that
will be a successful book.
I have a few copies for
to the press and they were
favorably received.
I think it will be
to change the title of
notes to a new general one
as to the matter of
in business of the other

Yours truly
