

Sydney Mines.
30th August 88.

Dear Sir William

This will be handed
you by my son, Richard
who you were kind enough
to ask to see on his way back
to Toronto.

I have instructed him to
stay only long enough at
Montreal to visit you, and
then to push on to Toronto, as
he will be 2 or 3 days late for
the commencement of the
term.

Thanking you for the
kindly interest you have
taken in my boy. I remain
dear Sir. Yours very sincerely

R. H. Brown.
