My dear Sir,-

Yours of 1st inst at hand with enclosure of \$3 (Three) now put to your credit.

With regard to noticing the struggles for Protestant Education in Quebec I should be very glad to do anything in my power to assist the friends there. I would be exceedingly glad if among your multifarious & exacting duties you could find time to pen some articles for the Review either Editorial or Contributed as may best suit you. I am so very busy with the concerns of this Company that in addition to my Editorial work on the Review that I have not time to do the subject justice. If Dr. Macbride or Prof. Scrimgeour feeling yourself would undertake the matter good service would be rendered to the cause. Kindly advise me further.

Very sincerely yours,

Wm. M. Clark
