City My dear Sir

Permit me to remind you of an interview had with you some time by Rev. W. Nichols & myself as a Com. of the Bible Society charged with submitting a nomination for the office of President of the Society in the place of the late Senator Timine. In our conversation we were very much encouraged to find that in case of your being relieved from official responsibilities in the Evangelical Alliance we might have some hope that you would yield to the unanimous & very earnest desire of the Standing Com. of the Bible Society & accept the office of President. Every sincerely hope that in the case presenting

your name at the approaching meeting you
will meet the wishes of all friends of our Society
without exception and allow your name to
stand in the special position in which it will
so materially aid a cause which I know
you dearly love

I remain

With much respect and

Christian regard

Sincerely yours,

William Shaw
