Dear Sir, I called on you some  
6 or 7 years since with an  
introduction from Liverpool &  
You were so good as to give  
me for the English fund, a  
small piece of Laurentian rock.  
Now, that I have settled here  
for good I venture to name to  
you a project I have put  
before many influential gentlemen  
and my friend Mr J. R. Dougall  
as well as Mr Budge of the  
Y. M. C. A. Courtenance it.
