

New York, 7 Dec. 1888

(Dictated.)

Prof. J. Wm. Dawson:

My dear Sir,

The London publishers of the International Series having no objection to the sale of electros of the new cuts in your book to you, we have ^{accordingly} ordered them from the printers & shall probably be able to send them in the course of a week or ten days.

Very truly yours,
W. J. Goumans
