Dear Principal Dawson

I received your kind letter yesterday & delayed replying till today in order to think over the matter.

I am very grateful to the Committee for the honour they would propose to confer upon me, but am sorry I cannot see my way to accept.

I have a good deal on hand just now & do not feel as if I ought to undertake more, I might mention another very important reason that weighs with me, but do not think it is necessary to do so.

Please explain to the Committee and permit me to remain

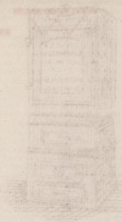

very sincerely

Yours

W King
