Detroit, Mich. Dec. 14 /88

Sir J. W. Dawson Prin. McGill Coll.
Montreal
Canada

Dear Sir:—

Yours
of 11th received. It will be quite
safe to send the manuscript list
of shells, ~~so~~ by express, marked
valuable manuscript and directed
as per enclosed envelope.

It is probably best not to seal
the package, in order that the
custom House authorities, may
examine if they wish it may be
held by a rubber band or string

Respectfully
