British American Land Company

Sherbrooke, Q. 26<sup>th</sup> Dec. 1880.

My dear Sir William.

My son received your letter here yesterday, forwarded from Montreal. I returned from England about 3 weeks ago but have been laid up ever since by an accident on board ship. I sprained my foot very badly and it is only slowly getting better.

I hope to be in Montreal on the 8<sup>th</sup> of January for a few days and shall be glad to talk with you about Educational matters. Mr. Rexford paid me a flying visit a few days ago
