

Toronto

Dec 31/88

Dear Mr Morris,

I have had
time to glance at
"Nova Britannia"; and
can see that it con-
tains much interesting
history, in which you
have borne a part,
as well as predictions
and anticipations which
have been fulfilled
in a remarkable manner.

I shall hope however
to have more time to
note its contents.

In the mean
time it will be a
great favour if you
will kindly note down
for me your recollections
of the facts respecting
the early history of
the file which you
referred to when I
had the pleasure of
seeing you. They may
be of use in connection
with some more strictly

intentional notice of me
far than that in my
next lecture, (of which
I send with this a
corrected copy in paper
sheet form.) In any
case, I shall be glad
to have the means of
referring to them correctly,
should occasion offer.

I have to leave
for Ottawa to-morrow,
and so may not be
able to see you again
at this time, but
when I return to Mont.

Wm. Murray
Duff

Dear, shall send you
some recent publications
connected with the
Ministry, and shall
be very glad to receive
any hints or information
on the subjects above
referred to,

With all kind
regards to you, Mr. Murray
and the members of
your family, in which
my wife joins,

Believe me
Yours sincerely
Wm. Murray
