Nor shall this Company be liable for any default or negligence of any person, corporation or association, to whom the above described property shall or may be delivered by this Company, for the performance of any act or duty in respect thereto, at any place or point of the established routes or lines run by this Company, and any such person, corporation or association is not to be regarded, deemed or taken to be the agent of this Company for any such purpose, but on the contrary, such person, corporation or association shall be deemed and taken to be the agent of the person, corporation or association from whom this Company received the property above described. It being understood that this Company relies upon the various Railroad and Steamboat lines of the country for its means of forwarding property delivered to it to be forwarded, it is agreed that it shall not be liable for any damage to said property caused by the detention of any train of cars, or any steamboat upon which said property shall be placed for transportation; nor by the neglect or refusal of any Railroad Company or Steamboat to receive and forward the said property.

It is further agreed that this Company is not to be held liable or responsible for any loss of, or damage to said property, or any part thereof, from any cause whatever, unless in every case the said loss or damage be proved to have occurred from the fraud or gross negligence of said Company or their servants; nor in any event shall this Company be held liable or responsible; nor shall any demand be made upon them beyond the sum of Fifty Dollars, at which sum said property is hereby valued, unless the just and true value thereof is stated herein; nor upon any property or thing, unless properly packed and secured for transportation; nor upon any fragile fabrics unless so marked upon the package containing the same; nor upon any fabrics consisting of, or contained in glass. If any sum of money besides the charges for transportation is to be collected from the consignee on delivery of the above described property, and the same is not paid within thirty days from the date hereof, the shipper agrees that this Company may return said property to him at the expiration of that time, subject to the conditions of this receipt, and that he will pay the charges for transportation both ways, and that the liability of this Company for such property while in its possession for the purpose of making such collection, shall be that of Warehousemen only. And if the articles herein mentioned are not removed from the office of the said Company, and charges paid thereon in one year from the date of this receipt it is agreed that the said Company may sell the same at Public Auction for their charges, including the cost of sale thereon, but all articles, in the opinion of the said Company, of a perishable nature may be disposed of at their discretion if the charges are not paid at once, or the consignee cannot be found. In no event shall this Company be liable for any loss or damage, unless the claim thereof shall be presented to them in writing at this office within ninety days after this date, in a statement to which this receipt shall be annexed. And it is also understood that the stipulation contained herein shall extend to, and inure to the benefit of each and every company or person to whom, through this Company, the above described property may be intrusted or delivered for transportation. The DOMINION EXPRESS COMPANY, Limited, assumes no liability for delays, losses or non-delivery beyond their lines.
