Dear Sir William

I can find nothing on the subject  
 of Peru the gulf in any library but Dr  
 Bell says an account of the subject appeared some  
 years ago in the Trans. Am. Geog. Soc. <sup>vol II</sup> of the  
 Spanish Current of the Islands. Canby writes  
 there was any reference to the geological position,  
 or not. Possibly you have the Trans. in  
 your library and might be good to hunt  
 up the article.

Yours very truly  
 R. W. M.

Dear Sir,

I am very pleased to hear that you have  
been successful in your search for  
these things and I hope to see them  
soon in the Museum. The Department
