

Quebec 21 Jan'y 89.

My dear Sir William

Having been away
from home for
sometime, I have
only now received
Lady Dawson's and
your kind invitation
to stay at your house
when I go to Mont-
real for the Sec-

ture.

I accept with
much pleasure
and hope you
will excuse my
not answering
before this.

Believe me

Yours very truly

H. G. Joly.
