Dear Sir John

I have delayed answering
your letter of the 20th Dec^r
until I had the power of Attorney
from the heirs & myself in
which my sisters have joined
concurring in the powers already
given to Mr. G. Williamson
This power I now send herewith.

I regret much the fact
of the shortage in the cash
of the Ken estate & that I
was wrong in my supposition
that every thing would be found
correct in Mr. Grant's accounts.

How has the money gone had
he been living on it or lost
it in speculation?

In my letter of the 16th Nov.
I asked "Who are Mr. Grant's executors?"
did he die intestate & his
estate insolvent?

I am
Yours truly
Alex^r. Stewart

Sir John Wm Dawson L.D.
