Dear Capt Bage,

I found on
my return to Manchester
that Mr. Wilson
had been entrusted
with the
Carnival Committee
to correspond with
Capt. Cillié as
to details of
arrangements. I

Therefore asked him
to attend to the
interests of the
Innkeepers, which he
promised to do,
I have written to
this effect to
His Excellency
and also as to
the ^{request} ~~concernance~~
of the Nat. Inst,

Society which I
explained to
you when we
were in
Ottawa,
