My Dear Sir:

I beg to thank
you for your polite & kind
reply to my inquiries about
Evolution, & for the useful
information you have given
me. I hope you will pardon
me for trespassing on your
valuable time.

May I express the hope, as I do
the wish, that you will, some
day, write a review of Prof.
Le Conte's book?

With best thanks, I am
Very Truly Yrs,
W. H. Campbell.
