Dear Sir:—

Although personally unknown to you I have (on the advice of my friends Mr. MeLeod Stewart & Mr. A. F. McIntyre, 2.C.) taken the liberty of forwarding to you a copy of the Colonies & India containing my address on "Canadian Lands & their development." In this you will see that I have dealt largely with education in Canada. These notes have caused much discussion in this country, most persons being surprised at the excellent educational system of Canada.

With respects

I am, dear Sir

Yours faithfully

Henry F. Moore

Sir William Dawson
