Montreal, May 1889

Dear Sir,

Our interview took place yesterday. On account of you it has been one of the most gracious, beyond expectations.

The *תפילה* having been repeatedly read with good portuguese accent & appropriate remarks added, we visited the valuable library where I have been ravished at the sight of such paleographical writings. I do not forget the pyramised Lord's prayer in hebrew, of Rev. M. de Solas own hand. I must avow that in this gentleman I have found a treasure not an ordinary good natured man but an exceptional one -

For all this please accept these poor signs of gratitude. All the

Your most indebted servt
