Montreal:

My Dear Sir:

I take the liberty  
of mailing to you an abstract  
of a paper that I read before  
the Minister of this City re-  
-cently, which I hope  
may meet your approval.  
I made in it, and abstract-  
from the letter that you  
favored me with, - but with-  
-out mention of your name  
as its author, - as the word  
"private" that you put on  
the opening page bound-  
me. But should I be

publish the whole pa-  
per, would you object  
to my affixing your name  
to that paragraph? -

With the highest  
sentiment of esteem,

I subscribe myself

Yours truly,

Geo. S. Hall
