To Sir J. W. Dawson C.M.G., &c., &c.

Dear Sir,

Your letter of the 18th instant is just to hand, & in reply thereto I beg to say that there will be no necessity for your sending the M. S. S. of your two papers up here.

At a meeting of the Editing Committee of the Section (IV) I was instructed to request all authors of papers to send their M. S. S., either to me or to the Printing Committee in Montreal, before the first of August next, & to ask if any illustrations would be required, & if so, how many.

The last request is fully answered in your letter, & if you would kindly see that the M. S. S. of your two papers ^{are} in the hands of the Printing Committee in Montreal, on or before the first of August next, I shall feel obliged.

Very truly yours,

J. F. Whiteaves.
