June 24/89

Dear Mr Van Home

My youngest
son, Dr Rankine Dawson,
who has spent some
years, partly as Surgeon
on the P & O Steamers
trading to Australia
and India, and partly
in hospital study in
England, is with us
at present, and
is desirous of working

Spilled Water
Lesson 2

up, probably for publica-
tion, the specialties
of health resorts and
Mineral waters in
Canada, for which
his previous training
and experience well
qualify him. May
I ask if you can
place at his disposal
any information or

facilities for obtaining
it, in regard to
Mineral waters, &c.,
on the line of the
C. & O. R.; also whether
it could be possible
for him, if he goes
west with it before
the Medical Association
in August there is
~~any way in which~~

Dr Van Hook
Jung

~~He could~~ ^{to} establish
himself as a prac²
itioner for a time,
in order to obtain
more extended in²
formation.

I shall be happy
to ask Dr Dawson
to call on you, if
you have time to
see him.

Truly yours
Wm Dawson
