Sir Wm Dawson
Dear Sir

I am sending
you with to day's Express
H. Mess. Corbwood
They are of irregular
shape but with a fine tooth
panel saw may be cut
to the size you require,
and to better advantage
than to have them cut
here as the waste piece
would be of very little use
Trusting this will prove
satisfactory and with
thanks for your purchase
of Two dollars to you
I am
Yours faithfully
