

Brunel
Sept 1879

1st Sept 1858

Dear Sir William,

An official copy of the
Resolution appointing a committee
of the P.C. to attend
the meeting of the Am. Assⁿ
was duly sent at once
to Professor Hannington.
No one seemed especially
interested in it ^{perhaps} of course
as I was not a member
of the Comtee. I had
nothing to do in the matter.
I took a great deal of
trouble personally when
the Assⁿ met at Philadelphia.

to get our people to attend
to went myself, but the
Assⁿ paid no particular
attention to the R. Assⁿ Society.

On the present occasion
was not called on to do anything

I do not see why Professor
H. did not act on the
official report. I sent
him to his surname and
other special request of
without a long delay. I call
shall be short of it. I think
see you

Yours sincerely
Geo. Bonwill
