Dear Mr. [unclear]

I have just received your letter of the 11th and am glad to hear that you are well. I am also well and hope these few lines will find you all the same. I have not much news to write at present. I am still in the same place and doing the same work. I have not seen any of the old friends here. I have not much news to write at present. I am still in the same place and doing the same work. on the part of the [unclear]
