To

Sir William Dawson

President McGill College

Montreal P. Q.

Dear Sir:

Perhaps you may recollect my calling upon you with my brother last May with certain inquiries relative to schools for our nieces. You suggested that when the young ladies went to Montreal I should then write a letter to you.

I now take pleasure in introducing to you my nieces, the Misses Mary Eloise and Hattie Ethelwyn Castle, formerly of Honolulu, now resident in Stanstead Co. They will attend the Trafalgar Institute and are alone in the city, but we have no doubt they will be well cared for. Any attention which you can bestow will be gratefully appreciated.

Very respectfully Yours
W. R. Castle
