Dear Mr. Shaw

I am greatly obliged to  
you for your notes of yesterday  
and this morning and for the  
corrected copy of the report of my  
observations at Thursday's meeting.

It is most kind of you to  
take so much trouble to make  
the report which contains  
great interest of correction  
and amendment and I shall

see that it is intended to  
you on Monday morning  
With many thanks for  
your kind attention

Yours ever  
Sincerely yours  
Doubtless
