Gentlemen,

I believe I ac-  
knowledged some time  
ago a copy of your  
"Comprehensive Teachers  
Bible" I have now  
much pleasure in  
stating that the  
use of the book  
for some time has

has convinced me  
of its exceptional  
value as an  
aid to teachers  
and students of  
the word of God,  
and my conviction  
that it thoroughly  
deserves the great  
circulation which

~~Wm. Dawson~~  
~~July 1850~~  
It has had among  
Christian workers.

Truly yours  
J. W. Dawson
