CUSTOMS OFFICE  
CANADA

Dear Sir William

Would you kindly  
look over the enclosed letter  
and let me know what  
you would advise in  
reference to Walcott's pro-  
posal of having me send  
him my types of the  
Lower Cambrian species.

Yours very truly  
W. M. Allison.

Please return letter as soon as you  
conveniently can.
