Sir William Dawson:

Dear Sir:

Thank you very much for  
the valuable pamphlet which  
you so kindly sent me, also  
for your promise of future  
fossils to illustrate. I like  
that kind of drawing so much,  
if I can only do it well enough.  
Wishing you a Merry Christmas  
and Happy New Year.

Believe me

Yours respectfully  
Blanche B. Evans.
