GEOLOGICAL SOCIETY,

BURLINGTON HOUSE, W.

2 January 1890

My dear Sir

I have to acknowledge  
the receipt of your letter of the  
18<sup>th</sup> Ult<sup>o</sup>, enclosing a draft in  
my favour for £7.2.4. In  
accordance with your wishes  
I have with this paid the various  
subscriptions specified, namely  
D. G. M. Dawson's & D. B. J.  
Harrington's subscriptions to  
this Society for the Current

year, your own Journal  
Subscription for 1890, & your  
Subscriptions to the Ray &  
Palaeontographical Societies  
also for 1890. — The receipts  
for the various sums are  
inclosed.

I shall look forward to the  
coming of your paper, which  
I need not say will be welcome  
whenever it comes. — There is  
still plenty of time for it  
to reach us for reading during  
the present session, & although  
I am at present pretty well  
off in the matter of papers, they

have been coming in rather slowly  
of late.

With many thanks for your  
good wishes which, I am sure, I  
reciprocate most heartily,

I remain

Yours very truly

G. S. Dallas.

Sir J. W. Dawson, K.C. M. G.
