Principal of McGill College
Montreal.

Dear Sir,

I beg to acknowledge
with many thanks receipt of
your most esteemed order
for "Roberts' Holy Land" in 3 Vols
as no dot enclosed. — but
regret I cannot send you a
copy in 3 Vols, as I am sold out
of copies, with the divisions separately

W.F. Clay

but have a copy. with the three divisions
bound together in one Vol cloth
extra, equally some as the 3rd Edition
& quite new - which I can supply
at the same price 27/6 & I
will be glad to hear, if it
shall send it to Messrs Lox & Co
as you direct.!

Meantime I have much
pleasure in resending this copy
for you. & if favoured with
your further most esteemed
orders from the Catalogue -
I send per same mail. I
will give them my best attention

Yours respectfully
W. D. Clift
