Dear Sir William

You might keep the imprint  
as it is but now we are not  
in a way to sell the pamphlet.  
We found very little or no  
demand. If the pamphlet is  
inquired for it will be at  
Storons or Renoufs the inquiry  
is made, but inquiries from  
foreign or distant places still  
come to us as our imprint is so  
well known. I will speak to  
them about it and let you know  
if they will have any sent for the  
town trade. In the meantime

it would be better to keep them  
at the college

Yours truly

J. D. Dawson
