Sir Dawson.

My Dear Mr Dawson -

Your kind letter of the 26, with \$5. to help me in my humble evangelical work, is just rec^d. here, in this Capital of the U.S. where I am working for a few days -

Please accept the renewed assurance of my gratitude.

Many times indeed, you have extended to me a helping hand - to strengthen me in the midst of the ~~great~~ difficulties through which it was the good Master's will to try my faith - Several times, I have found under your Christian & hospitable roof, the protection I wanted in the days of danger.

May the God of the gospel bless you and all who are dear to you, for

the good you have done to this
unprofitable servant.)

Yours for ever
grateful friend

C. Chiniquy
