July 90

Dear Mother  
I received your letter  
of the 27th and was  
glad to hear from  
you and to hear  
that you were all  
well.

I am well and  
hope these few lines  
will find you all  
the same.

Love  
Lucette

Dear Sir William

I recd today a  
registered book post  
the MS & two proofs of  
yr book on Evolution.  
One proof you will  
like to keep for reference.  
The other please correct  
& return to me, together  
with the MS, at your earliest  
convenience. Will you  
also kindly verify the  
references, & in every  
case of quotation,

add the reference;  
In the case of books,  
to page & in case  
of magazines to the  
month.

Wish the book  
very much & think  
it cannot fail to  
do good.

May possibly be  
in Canada in the  
end of May or during  
June & try to see him

to be in Montreal  
at that time? If  
I should like, if  
possible, to have a  
look at the College.

With very kind regards  
Yours most sincerely  
R. Lovett
