HODGE HALL,
PRINCETON. N.J.

March 5 1890

My dear Sir:—

The time is now ap-
proaching when we might
expect to gather in our
papers in the "Symposium"
on "What is Animal Life?"

I trust you will, as you
intimated might do so,
find it possible to send us
a contribution to it. If
so, I should like to have
it, if possible, by April 1st.

Make it as long as you
or a chess; and do ~~let~~
or have something from
you.

I am

Yours truly

B. B. Warfield
