~~Notes for

12th April/70

Dear Sir William

I should like very much to exhibit the portrait of Miss Dawson at the coming ex- of the Royal Canadian Academy. Will you kindly let me know whether Lady Dawson consents to lend it if it is agreeable to you all. As it is certainly one of the best pictures I have done I should greatly like to have

it in the exhibition.

If you agree that ~~the~~ it may
go I will send for it the
end of next week.

Yours sincerely

R. Harris
