Dear Sir William:

I have just of the 1st inst and
thank you very much for writing me so
fully in reply to my somewhat
when you must have been worn out with
your closing exercises.

I have received also the copies
of the Announcements &c and thank you
very much for them. What a tremendous
scope it fills in taking in the line of pure
and applied Science -

I shall be very happy indeed to
avail myself of your kind invitation to stay
a day with you on my way to Ottawa.

I am yours very truly
J. G. Macgregor
