Sir J. M. Dawson,

Dear Sir,

Some years ago
you were kind enough
to allow my sister, Miss
Haight of Toronto, to use
your name as reference on
her School Prospectus. She
is now about to retire, &
Mrs. Lays's daughter, who
has been associated with
her, will assume the Charge

of the School & has writ-
ten me to ask if you will
allow her to retain your
name in the list of refer-
ences. I should call on
you, but, under the cir-
cumstances, thought it
might be more agreeable
to you to receive a note.

I think you know the
character of the School - it
is much like Mrs. Lays -
on the basis of through schol-
arship, combined with
the advantages of a

refined Christian home for a limited
number of girls. Not denominational,
but chiefly under Presbyterian influ-
ence & patronage - both my sister & Miss
Lay belong to St. James' Grace Pres. Chh.
& the School family attend its services.

Hoping for a favorable answer - just a
word -

I am, sincerely,
Jennie E. Knight
