

Montréal, 30th May 1896.

Sir William Dawson,

Montreal.

Dear sir,

Your letter of the 15th instant was delivered at the office of my legal firm and it was only handed to me yesterday, as I had not called to my office before.

The Honorable Premier and myself will meet you this afternoon, at the Normal School, and will be able to give a day upon which we can hear the Committee of the Normal School & the sub-committee of the Protestant Committee of Public Instruction.

I am very thankful to you, dear sir, for your congratulations upon my entrance into the Government; I hope I will remain worthy of them.

Your obedient servant,

J. E. Hodson
