My dear Sir

Mr<sup>s</sup> Willshire & myself  
have some thoughts of  
coming over to America  
about the end of July  
and visiting the Yellow-  
stone Park - Can you give  
me ~~the~~ any ideas as  
to the best means (railways)  
of reaching that part, we  
should like to see the Salt  
Lake City, Pikes Peak, perhaps  
San Francisco; I think I could  
give a month to America, at  
the same time I am ignorant

of the probable expence & that  
is a factor not to be over  
looked - My wife was very  
ill in the winter with  
the influenza, & is not very  
strong & could not bear  
four or five <sup>days</sup> continuous  
travelling. Has any popular  
guide to that region (Y.S.P.)  
been published? We  
shall come to New York,  
my eldest son being a  
resident in that City -

With my Compts to Lady Dawson

Believe me to be,

Yours very truly

Thos Willshire

P.S. The pleasant remembrance  
of the ride to Toronto Canada  
will ever abide with me - & the  
your kindness on that occasion  
never fades out of memory
