

Valois 14 June 1890

To Sir Wm Dawson
McGill College

My dear Sir,

Thank you very
much for the cheque. I wish
I had been able to do more
good than I did to the portrait.
I would have been glad to do
what I did for nothing but
no doubt you prefer to do as
you have done. Hoping your daughter
may have a long life of happiness

Remain your very truly

W B Symmes
