

Montreal 18 June 1890

Dear Sir

In reply to yours of this date:
Mrs Hunt consulted me last winter
about selling her house. and I advised
her strongly not to do so. after which
I think she gave up the idea -

She is at present in Europe. : should
she revive the subject after her return
I will let you know -

Yours truly
H. Archbald

Sir William Dawson

to be

Abraham
